SUMMER PROGRAMMING

Engage with Smeal even when classes aren’t in session! The following program will be offered throughout Summer 2019:

**BOSS**

Business Opportunities Summer Session (BOSS) introduces diverse rising high school seniors to opportunities that exist at Smeal and prepares them for the admissions process to Penn State University.

BOSS participants spend two summer weeks (June 16 - June 28, 2019) on the University Park campus, living in residence halls and taking classes on business fundamentals, writing, leadership, and team building skills. Interested in presenting a class or supporting the program? Connect with Pauline McCarl at pqh101@psu.edu.

**Spend a Summer Day**

Spend A Summer Day (SASD) is coordinated by Smeal’s Office of Undergraduate Education to educate prospective students about admissions, academics, and student life at Penn State. As part of this event, the Smeal Business Career Center coordinates an underclassmen panel to highlight their experience at Smeal.

We are seeking intern or recent alumni (Class of ’17, ’18, and ’19) panelists who are interested in sharing their experiences and advice on topics such as: courses, majors, student organizations, study abroad, how to network, and how to score an internship. We are seeking panelists who can serve from 2:00 - 3:00PM on 7/22, 7/25, 7/26, 7/29 and/or 7/30. Panelists may participate in as many days as they would like but must commit to the full day. Consider taking part in this great early identification and branding opportunity. If your organization is interested in participating please contact smealcareers@smeal.psu.edu.
EVENTS & PROGRAMMING
UNDERGRADUATE

Expand your recruiting reach by participating in non-traditional branding and engagement events offered by units and departments at Smeal outside of Career Services.

Real Estate Boot Camp
Managed by Professor Lisa Ford and the Institute for Real Estate Studies, this semester-long program provides students interested in Real Estate with professional development presentations, lectures, workshops, networking opportunities, resume reviews, mock interviews and a Stock Pitch Competition.

Explore Smeal
Hosted by Smeal’s Office of Undergraduate Education, Explore Smeal combines the previously offered “Majors and Career Night” and “Big Event” for one action packed evening for Smeal freshman. This panel style event will offer sessions for each Smeal major with faculty, student and recruiter panelists. Panels will present concurrently throughout the evening, conducting several sessions that students can attend over the course of the event. All Smeal freshman (~1100 students) are required to attend at least one session of their choice. Many may choose to attend other sessions as well. This event will be held on October 21st, 4:30 – 9:00PM.

To indicate interest or request additional information for the above programs, please contact:
Ashley Stark, Director of Corporate Relations
Smeal College of Business, Business Career Center

Donuts & Dilemmas
Hosted by the Office of Honor & Integrity, Donuts & Dilemmas provides students a small, informal setting to discuss a wide range of ethical dilemmas that they could encounter in the professional workplace. Company representatives share personal stories, encourage students to ask questions, and highlight best practices for navigating ethical dilemmas in business. Companies provide the coffee & donuts. This event is offered several times in the Fall based on recruiter interest and availability. Other opportunities to engage with Honor and Integrity may be available throughout the fall semester. To learn more, contact Michelle Darnell, Director of Honor and Integrity, at mzd560@psu.edu.

International Education Week
During International Education Week in November 2019, a variety of sessions will be offered by employers, faculty, academic colleges, and student organizations to discuss global business engagement opportunities at University Park. (These sessions are intended to go beyond the typical study abroad 101 sessions and will shy away from talking about international student sponsorship. Some sessions will highlight IB course offerings). Interested companies can contact Jana Clinton at jmc5558@psu.edu.
**Coffee Buzz**
Sponsor the 30 minute break students have between 10:00 - 10:30AM (Monday through Thursday) with an opportunity to give a 5 minute pitch about your company or a future event you are hosting.

**NEW to Fall 2019: Corporate Presentations**
Corporate events & presentations will be available from 12:30 - 1:30PM Monday through Thursday. There will be no graduate courses offered during that time. Evening events will now have 6:30PM and 7:30PM start times to ensure there will be no students in class. As usual, Friday will usually not have any class unless indicated on our calendar. Employers have the chance to present about their company and culture while on-campus or virtually. These presentations will be promoted to students during the week prior to the event.

**Office Hours**
Host open office hours during the day and have either individual or group meetings with interested students.

**Scholarships**
There are opportunities to create different scholarship opportunities for students through the college.

**Tailgates & Other Networking Events**
Connect with students in an informal setting and get to know them on a more personal level. The majority of tailgates are offered for home football games. Other networking events include happy hours off campus, ice cream socials, and other events on or around campus.

**Hosting Cultural Events**
Our students host many events to celebrate the diversity of the program. Companies are able to sponsor these multicultural events such as Diwali, Chinese New Year, or American Thanksgiving.

Nittany Lion Careers launched in 2018 as Penn State’s new single-system recruiting platform for all students, alumni and employers. This system allows recruiters to conduct all recruiting activities in a single system and to target the most relevant and qualified students. In addition to Smeal undergraduate students, MBA students and alumni, recruiters may now use one system to recruit students from more than 400 majors at all Penn State campuses. Consider creating an account to gain access to resources such as:

**Job Postings**
Post jobs on Nittany Lion Careers. It’s fast, easy and free of charge. Recruiters may post the following opportunities on Nittany Lion Careers:
- Internships or co-ops for undergraduate students open to all majors
- Internships or co-ops for undergraduate students of targeted majors
- Full-time or internships for MBA students
- Full-time for recent grads to experienced hires (all alumni including MBA graduates)
- Full-time for graduating seniors
- Externships and leadership programs

**On-Campus Interviews**
Connect with top talent on campus and let us tackle the scheduling. Interviews are typically held in either 114 Business Building or the Bank of America Career Services Center based on availability.
- Fall on-campus recruiting runs from early October until the middle of December.
- Spring on-campus recruiting runs from early February until the end of April.

**Employer Specific Events**
Provide students with information about your company, network, and outline employment opportunities prior to conducting interviews on or off campus. Employer events can include but are not limited to:
- Case competitions
- Simulations
- Presentations
- Workshops

We encourage employers to be as engaging and innovative as possible! Please note, tabling in the Business Building is reserved for Corporate Partners and sponsors of The Center for Supply Chain Research.
CLASSROOM ENGAGEMENT

Help bring curriculum to life by co-lecturing content or providing cases for interactive course projects.

BA 297 – Career Planning & Strategies
This strategic career planning course will educate students on the intricacies of the career search process. Educated by faculty, PSU Financial Literacy Center and Smeal Corporate Partners, students will ground their theoretical knowledge of careers with a greater understanding of corporate operations and environments. This course has been designed to help students as they continue their self-discovery and goal setting process essential to their career search. Participation in this course is restricted to Smeal Corporate Partners.

MGMT 496 – Independent Study/Consulting
Management 496 is an independent consulting practicum that analyzes and researches organizational effectiveness. Students conduct research and use data-heavy approaches to answer tough business questions that companies want answered. Management 496 students work throughout the academic year on projects spanning from Fortune 500 businesses to State College area businesses and schools.

Other Courses
Faculty members generally do not allow employers to present on their company/opportunities, but some welcome the opportunity to host guest lecturers related to course content. If you are interested in participating as a guest presenter, please identify: preferred audience (majors and/or years), topics you are willing to present on and a bio of who may be presenting. This information will be shared with faculty members to see if there is a fit. Opportunities are not guaranteed, and engagement is up to faculty discretion.

STUDENT ORGANIZATION EVENTS

Women in Business Global Exchange: The Global Exchange is an annual event hosted by Women in Business and the Multicultural Women’s Forum which selects a diverse group of panelists with experiences from across the world to speak about their global insights with students. They also speak about the differences in business customs and international business etiquette different from our own. Following the panel, a multicultural dinner is provided and serves as a way for attendees to engage with the panelists and others from different backgrounds to network on a more intimate level. Contact Brooke Marynak or Shaye Smartt to learn more about sponsorship. 80 students are expected to attend.

**Date and Location:** Late October (exact date TBD) | Business Building Atrium/Room 110

**Contact:** Brooke Marynak | wibrelations@psu.edu or Shaye Smartt | womeninbusiness@psu.edu

International Business Association International Night: International Business Association hosts its signature event every semester, International Night. This unique event involves a keynote address and panel of professionals who answer questions about international business, their experiences abroad, and give career advice to those in attendance. There is also a networking reception after to allow members to create connections with these professionals. Historically there have been 20-35 students in attendance. Companies are not required to pay a sponsorship fee, however, to offset the costs of the event donations would be gladly accepted and benefits may be provided to those who give.

**Date and Location:** November 14, 6:00 - 8:00PM | 110 Business Building

Women in Business The Power of Us Gala: This fall, WIB will host the second annual Power of Us for their partners at the Reunification and Independent Living Program under Centre County Youth Services Bureau. The event is comprised of a day of learning for the teens, followed by a celebratory charity gala in recognition of program participants. The gala portion of the event is open to all members of the community, alumni, and students. Featured at the gala will be music, hor d’oeuvres, and basket raffles in which all proceeds will be donated to the Ethel Beaver Children's Fund. The Ethel Beaver Fund's sole purpose is to provide funds for Centre County children in the care of Centre County Children and Youth Services. It derives its funds strictly from donations and 100% of the money donated goes to the children. Roughly 150-200 people are expected to attend. Reach out to the contacts below if you are interested in sponsoring or attending the gala.

SMEAL ALUMNI ENGAGEMENT & LIFELONG LEARNING

Alumni Relations and Alumni Career Services hosts several programs that serve the professional and career interests of their growing network of alumni constituents. Their campus and club programming, webinars & podcasts, LinkedIn presence, and online chat platforms connect alumni to Smeal and companies around the world.

Impact Smeal Day
Impact Smeal Day provides alumni with the opportunity to return to campus and reconnect with the college through a number of activities such as interacting with current students, networking with other alumni, and hearing college updates. This event will be held on Friday, October 18th. Contact Jen Crispell, Director of Alumni Relations, at jmo182@psu.edu or 814.867.4269 if you are interested in attending.

Smeal Lifelong Learning Webinars
Smeal webinars & podcast are signature programs delivering informative live or on-demand sessions intended to broaden one’s perspective on industry trends in the world of business. Webinars are presented by well-known Smeal faculty and alumni who are experts in their respective fields of: accounting, communications, entrepreneurship, finance, leadership, management, marketing, and real estate. Smeal alumni recruiters and business professionals are encouraged to attend or even submit a proposal to present.

Virtual Recruiting Sessions
Online and mobile recruiting events through the Brazen chat platform offer companies a free opportunity to showcase their organization’s career opportunities directly to Smeal alumni. Recruiters can chat with alumni attendees in 15-minute text-based conversations reviewing resumes and LinkedIn profiles, while sharing company information and active job postings. Their office sets up and markets the events, so companies can attend and engage. This is great opportunity to brand a high-profile virtual event to regional, national and global alumni of Smeal.
